## PROFESSIONAL DEVELOPMENT PROJECT

As a capstone project all MA CADR students must complete either a professional development project or a research thesis. This form is to be used for professional development projects. The purpose of this form is to make sure that the **eh t** the

## PROFESSIONAL DEVELOPMENT PROJECT DESCRIPTION

Use this area to describe in detail your professional development project:

**PROFESSIONAL DEVELOPMENT PROJECT DESCRIPTION (continued)**

Use this area to describe in detail your professional development project:

**METHODOLOGY (required for research based projects)**

Most professional development projects will incorporate some research element(s). What specific research methods are you planning to utilize to facilitate completion of your project? For example are you using any qualitative or quantitative data in your project? If so what are the methods for collecting that data? Will you be using library research? If so what methods are you employing to ensure your research is fairly exhaustive? Please use this space to describe the research methodology that will facilitate completion of your project:

## **DELIVERABLES**

Please describe what your final materials are going to look like for this project.

## **TIMELINE**

Use this space to outline a feasible timeline to complete you project. When are your final materials going to be submitted? You may also find it is useful to outline estimated
